

K177 Handbags

Each of these beautiful handbags offer you the opportunity to mix and match your favorite fabrics together. View A Handbag mixes two different fabrics, sewn into strips, to make the bag. Handles and contrasting flower are fabric. Button or bead in flower center. View B Handbag mixes six coordinating fabrics together as strips to make the bag. Decorative buttons at base of handles. View C is made from six fabrics sewn into squares to make the handbag body. View B, C: Handles and top of bag are fabric. All bags are fully lined with two inside pockets.

These handbags are **designed for lightweight woven fabrics** such as cotton and cotton types.
